Re: Hazardous Waste Compliance Inspection of October 29, 1991
EPA Identification Number KSD000203638

Dear Mr. Dame:

Thank you for your letter dated December 17, 1991. Based on the information provided, the violations found during the inspection have been corrected.

In your letter, you indicated that disposal arrangements were being made for wastes that were analyzed. Please submit information/manifolds for the five drums of hazardous waste as follows: Two drums of chrome contaminated sand (D007), two drums of waste cronox (D001) and one drum of waste Olin 2002 (D001-D002).

This information must be submitted to our department by January 30, 1992.

Your cooperation with the hazardous waste management program is appreciated. If you have questions concerning this letter, please call me at 913/842-4600.

Respectfully,

A handwritten signature in cursive script, reading "Lynda R. Ramsey".
